

FIRST QUARTER REPORT 2008

CROWN CORPORATIONS COUNCIL

A Manitoba Crown Corporation

NATURE OF ORGANIZATION

The Crown Corporations Public Review and Accountability Act (the Act) established the Crown Corporations Council as a body corporate on June 5, 1989. The Act establishes an accountability framework for seven Crown corporations subject to the legislation that encompasses Boards of Directors, Ministers responsible, the Manitoba Legislature, Crown Corporations Council and if applicable, the Public Utilities Board. The Crown corporations to which the Act applies represent most of Manitoba's large commercial Crown enterprises. The Council's role is to facilitate, in co-operation with each corporation, the development of clear mandates and statements of purpose, the development of consistent and effective performance measures, to review corporate and capital expenditure plans, and ensure consistent practices among Crowns where appropriate.

ACTIVITIES OF THE COUNCIL DURING THE QUARTER

Council completed its annual review of the Crown corporations' capital expenditure programs during the period. Capital expenditures reviewed were consistent with the Crowns' mandates, corporate plans and strategies. Council released its Fourth Quarter Report 2007 and Council's audit was completed; the Auditors' Report was unqualified.

SUBMISSIONS TO COUNCIL

During the reporting period, no new submissions were made to Council.

OVERVIEW - FINANCIAL STATEMENTS

FOR THE THREE MONTHS ENDED MARCH 31, 2008 (UNAUDITED)

Operating expenses are recovered from the Crown corporations through assessment of levies allocated on a pro rata basis determined by the revenues of each Crown corporation. The levies are recognized in these financial statements at the time the related costs are incurred.

Expenses for the three month period were lower than the same period last year due to a staff vacancy.
